MOUNT MARY UNIVERSITY

RN to BSN COMPLETION

SCHOOL OF NATURAL & HEALTH SCIENCES & EDUCATION

Mount Mary's ***RN to BSN completion program*** is designed for working RNs who wish to complete their bachelor's degree in nursing and is open to both women and men for enrollment. The RN to BSN Completion program focuses on developing the leadership skills to expand their current professional nursing roles into new leadership positions.

The emphasis of our program is mid-management roles for registered nurses. Students will also learn organizational budgeting, enhance their health informational technology skills and participate in social justice, population and community health nursing activities.

Courses are offered in an accelerated, 8-week format, allowing for completion of the program in as little as 18 months. Students also have the option to complete the program entirely online.

The program develops areas of nursing leadership where graduates will have the opportunity to pursue a variety of career paths, such as:

- At-home Care Managers
- Case Managers
- Coaches
- Information Specialists
- Navigators
- Nurse Educators
- Nurse Managers

RN to BSN Completion Program Courses

- Health Care Economics & Regulation
- Leadership for Social Justice Seminar
- Nursing Care in the Community
- Nursing Leadership I & II
- Evidence Based Practice
- Technology & Communication

Employment Outlook

Based on current trends, by the year 2020, the nursing workforce will face a **26%** shortage of nurses who possess a bachelor's in Nursing. The demand for nurses possessing a BSN degree is expected to steadily rise by over **43%** for the next 20 years.

— Data provided by the Wisconsin Center for Nursing
