Please Note: Classes that do not meet for the entire semester are only certified for the period in which they meet. The VA will exclude them during the rest of the semester when determining how much you will be paid.

I understand that:

- All course work must be required for my approved degree in order to receive VA benefits.
- I can only be paid for repeated courses when the initial grade received was an 'F'; VA will not pay for repeats of 'D' grades unless the course requires a 'C' to progress (i.e. MATH 103)
- No payment can be received for audited courses
- In the case of any failing grade, the instructor will be contacted to verify the last date of attendance
- I must notify the Financial Aid Office of any changes in my enrollment for this semester and that such changes could impact my level of educational benefits including potential repayment of benefits (tuition, monthly payment, etc)
- I must complete this form each and every semester in which I wish to be certified for VA educational benefits
- I consent to release to the US Department of Veterans Affairs all of my student education records maintained by Mount Mary University, including but not limited to my Social Security Number
- Chapters 30, 1606 and 1607 recipients must verify enrollment monthly (online via WAVE or by phone)
