

Alumni Survey Results Class of 2019-2020 Background

The Alumni Survey report provides placement information on students who graduated during the 2019-2020 academic year. Graduates must be employed, serving in the military, serving in a volunteer or service program, or enrolled by Dec. 31, 2020 in order to count as successfully placed.

Alumni Survey data are based on a variety of data sources, including online surveys, data from Mount Mary University offices, direct employer confirmation, and/or public sources. Full details on the methodology are available upon request.

Placement results are based on graduates' primary activity after graduation and align with National Association of Colleges and Employers (NACE) First Destination guidelines.
