# Prayer for Mount Mary University During the Presidential Search - 2026

Come Holy Spirit, unite the minds and hearts of those searching for the leadership that will continue to move Mount Mary University into the future.

Come Holy Spirit, lead us to build on the wisdom of the past with a clear vision to the challenges ahead.

Come Holy Spirit, direct our conversations and decisions to evolve from deep listening and respectful, courageous and fruitful dialogue.

Come Holy Spirit, guide us to the person who can best advance the mission of Mount Mary, identified by the distinctive attributes of competence, community, commitment and compassion.

Come Holy Spirit, enable us to discern God's will and to be faithful and supportive in carrying it forward.

With grateful hearts for all that has been, we ask this through Jesus Christ, our Lord.

Amen
