

MOUNT MARY UNIVERSITY DINING PROGRAM

WHAT'S NEW FOR FALL 2026

Coming in September! FreshX is your campus mobile wallet

View menus, use as your digital ID to scan into the dining room, manage meal plans and Dining Dollars, store digital receipts, and give direct feedback about your experiences.

What are Dining Dollars? This is money that you can add to your account and manage through the FreshX app. Dining dollars can be used in place of meal swipes and at any dining location, and carry over from year to year. They are not refundable.

Green & Go

REUSABLE Containers PROGRAM

Up to 2 containers per faculty/staff for free!

Visit the cashier station in the dining room to get your containers, a 9"x9"x2.5" 3-compartment food container and a 16 oz. hot/cold beverage cup with a lid.

By using these reusable food containers, you're helping to reduce greenhouse gas emissions and single-use trash from landfills.

FILL: When entering the dining room, swipe in like normal, then fill your reusable container with your choice of food.

GO: You must take your food to go—you cannot eat in the dining room and then fill a to-go box. If you would like to dine-in and take a meal to-go you will need to scan your meal card again.

RETURN: Bring your used box back to the cashier to scan and receive either a clean one or a virtual token to be redeemed for a container in the future.

REPEAT

Lost containers/cups will need to be reimbursed by the faculty/staff member.
