

Green & Go

REUSABLE → Containers ↑ PROGRAM ↓

By using these reusable food containers, you're saving resources and energy, and reducing greenhouse gas emissions and single-use trash from landfills.

Up to 2 containers per person* for free!

9" x 9" x 2.5" 3-compartment food container and a 16 oz. hot/cold beverage cup with a lid.

**Free for students, faculty, and staff. Visit the cashier station in the dining room to get your containers. Lost containers/cups will need to be reimbursed.*

FILL

When entering the dining hall, swipe in like normal, then fill your reusable container with your choice of food and drinks.

GO

You must take your food/drinks to go—you cannot eat in the dining room and then fill a Green & Go container.

RETURN

Bring your used container(s) back to the cashier to scan and receive either a clean one or a virtual token to be redeemed for a container in the future.
