Seeking Your Input for the Mount Mary Presidential Search

As you may know, Mount Mary is engaged in a search for the next President. We have secured the services of [WittKieffer](#), the executive search firm best suited to assist us in identifying a future president. Their representatives Sheila Murphy and Greg Duyck will visit campus this week to understand the culture and priorities of Mount Mary.

You are invited to an online listening session on **November 4 from 12:00-12:30 p.m. CDT** to share your insights into the priorities and future direction of our campus. This listening session plays a crucial role in helping to identify and recruit a diverse and viable pool of candidates who will lead Mount Mary toward a bright future.

We very much hope that you will participate. If you cannot attend the listening session, please [submit your input online](#). We are grateful for your participation in this important process.

For further information on the Presidential Search, visit mtmary.edu/presidentialsearch.

All the best,
Stephanie Russell and Mary Jo Layden
Search Co-Chairs

TRIPLE Your Impact for Mount Mary Students

Over 65% of our students come from low-income households where college tuition can often be a barrier. Many already work one or more jobs and have additional family responsibilities. Finding the time or energy for another source of income while focusing on school is often nearly impossible.

That's where you can help! Scholarships play a huge role in the financial aid packages for students here. Your support of scholarships ensures that a one-of-a-kind Mount Mary education is available to all!

This holiday season, consider giving the gift of education and possibility. If you donate now to the Resilient Young Minds Endowed Scholarship Fund, your gift will be matched dollar for dollar by alumna Lena Lee '85 and her husband Robert J. Stets, Jr. And it will also trigger an additional matching federal grant supporting the University. You'll essentially be **TRIPLING YOUR IMPACT!**
