

CLASS LETTER 2019

Dear Class of 1952,

Happy New Year! I hope each of you had a wonderful holiday season. My name is Kathleen Bloechl, and I'm from the Class of 1980. I'm also the Class Delegate Chair and a Board Member for our Alumnae Association. I'm writing to you on behalf of your class delegate, Ramona Lehman Hackbarth. Ramona will resume her duties as class delegate later this year.

Below, you will find ways to stay connected with your classmates, a special message from the Mount Mary President, and information about upcoming alumnae and university events. These events are great for reconnecting and sharing memories with your classmates, seeing how Mount Mary has changed since you graduated, or giving back to the school we hold dear. I encourage you to join in on all of the fun.

STAYING CONNECTED

Do you know what exciting things are happening at Mount Mary? When the next alum event is? If you would like to continue to receive news, invitations, e-communications, and more from Mount Mary, please update your contact info with the Office of Alumnae Relation by calling [\(414\) 930-3025](tel:4149303025) or emailing mmu-alumnae@mtmary.edu.

By keeping your contact info current, you stay informed about your classmates through class letters and the Mount Mary Magazine. In each magazine, we celebrate and remember the lives of our fellow alums and their families in the [In Memoriam](#) listing, and we learn about their professional and personal accomplishments, weddings, births and more in [Class Notes](#). Please submit any class notes or in-memoriam notices at mtmary.edu/alumnae/update.

Another great way to stay connected is by liking the Alumnae Association Facebook. Here, you will find the most up-to-date information, event reminders and news from your fellow alums.

GETTING TOGETHER

Alumnae Weekend and Reunion is a fun, festive time for us to reconnect with old friends and come back to Mount Mary. Each class is invited to participate with special recognition to the milestone anniversary years. In the past few years, there have been class programs, lunches, entertainment, presentations and so much more. What would you like to see at this year's Alumnae Weekend and Reunion? Let's talk with our classmates and brainstorm some ideas to send to the Office of Alumnae Relations.

More information about Alumnae Weekend and Reunion will be available in summer.

Personal Message from Mount Mary President, Dr. Christine Pharr

These days when I think of generosity, I often think of our alums. Whether you graduated 5 years ago or 50 years ago, I'm continuously inspired by your ongoing gifts of time, talent and treasure.

Some of you have volunteered tirelessly for decades. I see you at the Starving Artists' Show or making popcorn for students. I know some classes have set up endowments for student scholarships, and individuals make donations to all sorts of things including the unrestricted fund, which allows Mount Mary to use the funds where they're needed most. You might be interested to know that during the last fiscal year, alums donated nearly \$1.7 million, largely for student scholarships. And I know you pray for us because I can feel it and see it in the transformation of lives happening on campus.

What I want to tell you is that whether you give \$50 a year or an estate gift, whether you have volunteered for years or only once, whether you share your expertise with us, recruit for us or pray for us...whatever you give... we are extremely grateful. You are paying it forward to the next generation of women who are now attending Mount Mary as they seek to find their way, their calling, and their vocation in life.

I look forward to seeing you soon!

Christine

ANNUAL CLASS GIVING & MOUNT MARY GIVING DAY

Mount Mary shaped us into the people we are today. It was the place where we built lifelong friendships and gained knowledge and learned lessons that have sustained throughout our lives. I want to ensure that the future remains bright and full of potential for today's students. Will you join me in making a gift to Mount Mary?

The best time to give is during Mount Mary's 2nd annual **Giving Day on February 20** from 8 a.m. to 10 p.m. You don't want to miss this opportunity. **All gifts will be matched dollar-for-dollar through the federal Title III Grant** that Mount Mary received in fall 2018. It doesn't matter whether you give \$10 or \$1,000 because every gift makes a difference in continuing the Mount Mary tradition.

Throughout the day, there will be special challenges that unlock additional money including the opportunity to make a gift in honor of your favorite program and a virtual scavenger of Mount Mary. Let's show the love and ensure that all students have opportunities to discover their passions and become world changers. Visit app.mobilecause.com/vf/MMULove to learn more.

If you have any questions about giving to Mount Mary, please call 414-930-3034 or email mmu-dev@mtmary.edu.

I hope you enjoyed reading about news and updates from your class and Mount Mary. Wishing you and your family a blessed, joyous, and healthy new year.

Sincerely,
 Kathleen Bloechl '80
