Subject: RE: Discrepancies on Certificate Program Information for DOE

The top five are no longer offered as of this year's bulletin 2019-2020 and none of them are teaching out.

I have never had the Food Science ones (what category are they under? They are not Post Bac at 10 credits ar

130101	Early Adolescence/Adoles. Education Cert
--------	--

It covers all the secondary education majors. They may already be covered in the specific subject areas.

Subject: Discrepancies on Certificate Program Information for DOE

Mary,

I checked the certificate programs and I have listed the differences below:

I had the Certificates listed on the DOE's information and they were not listed on your information, d

9.0101	Communications Certificate	
9.0902	Public Relations Certificate	
52.0501	Business Professional Communication	
16.0905	Spanish Certificate	
16.0905	Spanish for the Professional Certificate	
1.001	Food Processing Chemistry Certificate-New	Added mbk
1.001	Food Safety and Toxicology Certificate-New	Added mbk
1.001	Food Science Research Certificate-New	Added mbk
1.001	Food Science Research Certificate with Emphasis in Business-New	Added mbk
1.001	Food Science Research Certificate with Emphasis in Education-New	Added mbk

And listed below is a Certificate that is not Listed on my information for the DOE

130101 Early Adolescence/Adoles. Education Cert

Removed for

Are they? Is there another category for professional certificates?

Content Teaching; edTPA Portfolio. See subject area for course listings and more information about content-specific teaching through adolescence levels (approximate ages of 10 through 21 and approximate grade levels 6-12 elementary schools). Teaching majors are offered in the following areas: biology, chemistry, broad field science, E

Do you have any insight on these certificates?
