Year	State	Reciprocity - Teacher	Reciprocity Notes
2021	AK	Yes, for Teaching certification/licensure	If a teacher provides a valid teaching certificate from another state, the teacher is eligible for a one-year certificate. To extend the certificate for up to three years, the teacher would need to provide evidence of satisfying a basic competency exam and completing an approved teacher preparation program within one-year. Within two years, the teacher would need to provide evidence of completing 3 semester hours of an approved Alaska studies course and 3 semester hours of an approved multicultural course.
2021	AL	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	In addition to the items listed in the definition, Alabama requires documentation of meeting test requirements comparable to Alabama's test requirements, as well as documentation of experience for instructional support professionals.
2021	AR	Yes, for Teaching certification/licensure	
2021	AZ	Yes	
2021	CA	Yes, for Teaching certification/licensure	

2021	CO	<p>Our jurisdiction offers limited reciprocity in any area of certification/licensure.</p> <p>IF the teacher holds a valid out-of-state teacher license with an endorsement that matches or is determined to be the equivalent of that which Colorado offers AND has three+ yearsâ€™ full-time, fully license post-preparation teaching experience in the past seven years in the endorsement area sought, yes.</p> <p>Must also at a minimum hold an earned bachelorâ€™s degree from a regionally accredited IHE.</p>	
2021	CT	<p>Our jurisdiction does not offer full reciprocity in any area of certification/licensure</p>	

2021	DC	Yes, for Teaching certification/licensure	District of Columbia extends full reciprocity to out-of-state license holders who have completed a state-approved licensure program, comparable basic skills, content knowledge and pedagogy exams that were required in that state to earn their credential. When applicants meet all these conditions, DC waives the requirement for passing our own state licensure exams.
2021	DE	Yes, for Teaching certification/licensure.	The educator may demonstrate 4 years of successful teaching experience by submitting documentation of a minimum of 4 years of teaching experience and of having received at least 2 satisfactory evaluations from the jurisdiction that are the equivalent of the two satisfactory summative evaluations that are the equivalent of a Delaware educator.
2021	DOD	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	Our jurisdiction requires a minimum of 12 to 15 semester hours of course work in the content areas of certification/licensure.
2021	FL	Yes, for Teaching certification/licensure	Refer to Chapter 1012.56, Florida Statutes Documentation of a valid professional standard teaching certificate issued by another state satisfies all requirements for a FL Professional Certificate. Refer also to Rule 6A-4.002, General Provisions, Florida Administrative Code at <a href="https://www.flrules.org/gateway/RuleNo.asp?title=CERTIFICATION&amp;ID=6A-4.002">https://www.flrules.org/gateway/RuleNo.asp?title=CERTIFICATION&amp;ID=6A-4.002</a> Certificates from others states shall: a. Be the valid standard certificate comparable to a FL Professional Certificate; b. Be issued in a comparable subject; and, c. Require the same or higher level of training as in FL.
2021	GA	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	Additionally, we are updating our reciprocity rule to clarify that we require out of state educators to complete state-approved program that include pedagogy and practicums. Reciprocity would not be granted to educators applying with out of state certificates that were granted through testing, or any means that did not require completion of a state approved certification program requiring pedagogy and practicum
2021	GU	Yes, for Teaching certification/licensure	

2021	HI	Yes, for Teaching certification/licensure	HTSB offers full reciprocity to teachers licensed in other jurisdictions since July 1, 2006. They only have to submit a Hawaii license application and verify their active license in the home state.
2021	IA	Yes	Individuals who hold a non-Iowa license (Teacher, Administrative, Support Service) for at least one year and obtain Iowa residency will be offered a similar reciprocal Iowa license with similar endorsements. Effective January 1, 2021. Individuals with a non-Iowa teaching license, a BA/BS degree, 10 years of experience and have met at least 75% of all coursework requirements will be offered a similar reciprocal Iowa license with similar endorsements without needing to obtain Iowa residency. Individuals with a non-Iowa Teaching license, a MA/MS degree, 5 years of experience and have met at least 75% of all coursework requirements will be offered a similar reciprocal Iowa license with similar endorsements without needing to obtain Iowa residency.
2021	ID	Yes, for Teaching certification/licensure	Yes. If the educator has a clear certification, they will receive a three year Interim Certification in order to complete Idaho state specific requirements. If the educator has already met the Idaho state specific requirements, they would be granted a clear initial five year renewable certification.
2021	IL	Illinois does have full reciprocity with other state. We require a bachelor's degree (master's for administration and specific SSP programs) and a valid, comparable license from the other state.	
2021	IN	yes, if the out of state license is valid and if the teacher was required to pass content licensing tests in each area on the license.	
2021	KS	Yes, for candidates who have a current valid license from another state.	Kansas offers a one-year license for candidates who may need to meet a testing requirement.

2021	KY	Our jurisdiction does not offer full reciprocity in any area of certification/licensure. Regulation 16 KAR 4:030 sets forth the requirements for Out of State Prepared Educators <a href="https://apps.legislature.ky.gov/law/kar/016/004/030.pdf">https://apps.legislature.ky.gov/law/kar/016/004/030.pdf</a> .	
2021	LA	NO, but see notes.	Educators with an out-of-jurisdiction license are granted a temporary similar license in the receiving jurisdiction upon successful processing of the receiving jurisdiction's application and academic records. This temporary license is an out-of-state (OS) certificate, valid for a three year period, and is not renewable. It is issued to a teacher who has completed an out-of-state teacher preparation program and either holds or is eligible for a certificate in the state in which the program was completed. The teacher is not initially eligible for a level 1, 2, or 3 Louisiana certificate but meets Louisiana certification requirements with the exception of the Praxis/National Teacher Exam requirements. It provides a transition period that permits the holder to be employed in Louisiana K-12 schools while he/she complies with Louisiana Praxis/NTE requirements or meets Praxis exclusion eligibility requirements. For continued employment as a teacher in a Louisiana school system after the three year period has elapsed, the OS certificate holder must fulfill guidelines for a level 1 or higher-level certificate.
2021	MA	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	Please note, that one upcoming change for all license areas (teacher, administrator and professional support) is a MTEL alternative pilot. In October of 2020 the Board of Elementary and Secondary Education approved a pilot up until June of 2024 permitting the Department to accept other forms of assessments. As of March 2021, RFR's are currently and actively posted and vendors should be selected in the next month or two. This may allow the Department to accept a basic reading and writing skills test besides requiring the Communication & Literacy Skills MTEL test.
2021	MD	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	If individuals come to us with an approved out-of-state teacher preparation program, the certificate earned from that state, and the tests taken to achieve that certificate, then we offer full reciprocity.

2021	ME	Yes, for Teaching certification/licensure	Is a teacher with 5 or more years of experience teaching within the 7 years prior to application in the State under a valid certificate in another state and who has graduated from a state-approved preparation program that utilizes the standards of a national association of state directors of teacher education and certification or a national council for accreditation of teacher education or a national board certificate issued by the National Board for Professional Teaching Standards, or its successor organization, or, with the exception of the national teachers exam, meets entry-level standards for the endorsement;
2021	MI	Yes	Full reciprocity applies only when it is a subject area or grade level for which we are authorized to issue a certificate or an endorsement. Full reciprocity does not apply to individuals who completed alternative routes to certification and have not obtained the regular, standard certificate in the state where the program was completed. Additional testing and First Aid/CPR requirements apply for all teachers with less than 3 years of teaching experience and who do not qualify for Michigan's Professional Education Certificate as their initial certificate.
2021	MN		<p>Minnesota requires the passing of content and pedagogy exams for individuals licensed based on teacher preparation from another state. For some licensure areas, specifically in low-incidence special education fields, the content exam taken outside of Minnesota may meet our requirement. The student teaching experience completed in the teacher preparation program from another state must be equivalent to the student teaching requirements in a Minnesota approved teacher preparation program, or the candidate must verify two years of teaching experience in the content area in lieu of the student teaching.</p> <p>Additionally, an individual with a professional license from another state that has not completed teacher preparation, may meet the requirements of a Minnesota Tier 3 license if they also have two years of teaching experience.</p>
2021	MO	Yes, for teaching certificates	

2021	MS	Yes, for Teaching certification/licensure	A five year license is granted to applicants who hold a valid standard out-of-state license (K-12) in an area in which Mississippi issues an endorsement. In the 2011 state legislative session, House Bill 641 changed the state statute for Reciprocity applicants. Now, Section 37-3-2 (8)(a) states: The department shall grant a standard license to any individual who possesses a valid standard license from another state and meets minimum Mississippi license requirements or equivalent requirements as determined by the State Board of Education. The Office of Educator Licensure will implement this new statute with applications submitted after June 30, 2011
2021	MT	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	
2021	NC	NC additional requirements may apply	
2021	ND	Yes, for Teaching certification/licensure	
2021	NE	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	

2021	NH	Yes, for Teaching licensure	There may be additional testing requirements beyond those required in the sending state.
2021	NJ	Yes, for Teaching certification/licensure	If we offer the same license, if we require a subject matter test and the out of state license also dies, if good evaluations / experience requirements are met (three years) then we offer reciprocity. Teacher cert however will be more complicated in School Year 2017-18 due to the addition of a performance assessment as a requirement for full reciprocity for those holding initial certs from an approved teacher prep program.
2021	NM	No, limited Reciprocity	Teacher/Administrator will receive a similar license to what was held in another state when all appropriate documentation is provided at time of application.
2021	NV	Yes, for Teaching certification/licensure	We will issue a reciprocal license to a teacher licensed in another jurisdiction if that teacher holds a full license (i.e. not a provisional license) and if the requirements for licensure in that other state, to include required coursework, student teaching, and competency testing, are substantially similar to Nevada's requirements

2021	NY	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	
2021	OH	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	
2021	OK	Yes, for Teaching certification/licensure	Oklahoma now has full reciprocity with states that have like credentials.
2021	ON	Yes, for Teaching certification/licensure	This agreement applies ONLY to teachers certified in another Canadian jurisdiction. Labour mobility applies only to certification. Applicants must meet suitability and language proficiency requirements (if language proficiency was not assessed in the jurisdiction from which they are applying.
2021	OR	Yes	Teachers: Must demonstrate content knowledge mastery with evidence of: Passing score(s) on content tests to match the license from another state; or Five years of teaching the content as verified by previous employer(s) and corresponding valid licensure; or Complete Oregon's content testing. Administrators are awarded an 18-month license to permit time to complete a course in Oregon School Law and Finance. Support Professionals have no additional requirements.
2021	PA	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	
2021	RI	Yes, for Teaching certification/licensure	Educators with an out-of-jurisdiction license are granted a similar license in the receiving jurisdiction upon successful processing of the receiving jurisdiction's application, academic records, and taking and passing RI required tests.

2021	SC	Yes, for Teaching certification/licensure	<p>South Carolina accepts standard, valid, renewable educator certificates from other states and jurisdictions for reciprocity purposes and will issue an educator certificate in comparable areas so long as all other eligibility requirements are met. South Carolina accepts traditional college or university educator preparation programs so long as the provider and program are approved for certification purposes in the state with jurisdiction over the program. The traditional program completer must meet all other eligibility requirements including qualifying scores on the content area and pedagogy assessment for the certification area. An individual who has completed an alternative route preparation program in another state must have advanced to a standard, valid, renewable educator credential in that state. Reciprocity excludes Career and Technical Education work-based certification areas as defined by South Carolina. Speech-language Pathologists must obtain a professional license from the South Carolina Department of Labor, Licensing, and Regulation in order to be issued the educator credential.</p>
------	----	---	---

2021	SD	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	<p>If the applicant has completed a preparation program and has a certificate from another state Active Certificate - South Dakota crosswalks the preparations and endorsements from the other state to corresponding preparations and endorsements in South Dakota No tests are required Application must complete 3-credit South Dakota Indian Studies course. Can receive a one-year provisional certificate to allow time to complete course. Can be renewed one time. Must complete an approved suicide awareness training course (1 to 2 clock hours. Training is free of charge) Invalid Certificate Must complete South Dakota endorsement requirements to add any endorsements Must complete 3-credit SDIS course Must complete an approved suicide awareness training course If the applicant has completed an alternative certification route in another state then must have 3 years of experience in the past 5 years Active Certificate - South Dakota crosswalks the preparations and endorsements from the other state to corresponding preparations and endorsements in South Dakota No tests are required Application must complete 3-credit South Dakota Indian Studies course. Can receive a one-year provisional certificate to allow time to complete course. Can be renewed one time. Must complete an approved suicide awareness training course (1 to 2 clock hours. Training is free of charge) Invalid Certificate Must complete South Dakota endorsement requirements to add any endorsements Must complete 3-credit SDIS course</p>
2021	TN	Yes, applicants receive an initial-level license if they hold either an initial license or professional-level in another state.	Out-of-State applicants - Individuals applying for the practitioner license through an out-of-state pathway must provide a license from another state or verification of program completion from a program approved for licensure in another state, and professional assessments may be required for initial licensure or renewal of the license.
2021	TX	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	

2021	UT	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	
2021	VA	Our jurisdiction does not offer full reciprocity in any area of certification/licensure	Our jurisdiction requires a minimum of 12 to 15 semester hours of course work in the content areas of certification/licensure.
2021	VA	See Notes	For individuals who have obtained a valid out-of-state license, with full credentials and without deficiencies, that is in force at the time the application for a Virginia license is received by the Department of Education. Each such individual shall establish a file in the Department of Education by submitting a complete application packet, which shall include official student transcripts. No service requirements or licensing assessments shall be required for any such individual.
2021	VT	Yes, for Teaching certification/licensure	Educators (Teachers Administrators) who hold a current professional license from outside of Vermont will be given a Level I license (3 year) in the endorsement area delineated on their out-of- state license or a comparable VT endorsement when the following have been met:

2021	WA	No	
2021	WI	Our jurisdiction will issue a three-year Provisional license, which leads to a Lifetime license, based on a valid license from another jurisdiction and one-year of licensed experience.	
2021	WV	Yes	Ancillary Requirements. See WVBE Policy 5202
2021	WY	Yes, for Teaching certification/licensure	Wyoming applicants must have completed requirements that are substantially equivalent in the other jurisdiction in order for us to recognize the licensure from the other jurisdiction.

nents may change at any time. Please see the following site for updates: <https://www.nasdtec.net/page/Inters>

Differentiate Experience and Inexperienced Notes	Experienced Out-of-state Notes
<p>Inexperienced teachers who do not have a valid license in their home state must satisfy all the requirements set out in statutes and regulations for new teachers prepared in Alaska.</p>	<p>Alaska does not look at years of experience. The statute that governs the out-of-state credential asks for a valid teaching certificate.</p>
<p>Alabama does so only with regard to instructional support professionals.</p>	<p>Three years of P-12 experience (at least one of which must have been classroom teaching) are required for educational administration certificate applicants. Two years of P-12 experience are required for applicants for other areas of instructional support.</p>
	<p>Three years of experience in the appropriate credential area.</p> <p>If less than three years of licensed experience, exams will be evaluated and waived when similar exams are present. A one year provisional license is available if testing or Arkansas History is required.</p>
	<p>Both experienced and inexperienced teachers who hold a comparable, valid out-of-state certificate are granted a Standard certificate.</p>
<p>Those who have a minimum amount of experience (2 or more years for teaching) have slightly different requirements to earn a clear credential</p>	<p>Two years of experience in the appropriate credential area</p>

<p>Three or more years of full-time, fully licensed, post-preparation experience in the past seven years in the endorsement area sought</p>	<p>1. verification of completion of an approved educator preparation program at a regionally accredited institution OR verification of completion of another state's approved alternative preparation program; and 2. a bachelor's or higher degree in content area (earned at a regionally accredited IHE); or 3. 24 semester hours of specific endorsement related-coursework (as determined by a transcript review) or a passing score on a Colorado State Board of Education-approved content exam (as required for the content area); and 4. supervised student teaching or internship experience that meets or exceeds Colorado's requirements 5. Or a valid out-of-state teacher license with an endorsement that matches or is determined to be the equivalent of that which Colorado offers AND three-plus years full-time, fully license post-preparation teaching experience in the past seven years in the endorsement area sought. Must also at a minimum hold an earned bachelor's degree from a regionally accredited IHE.</p>
	<p>Completion of 30 school months of successful service within the last 10 years under a valid out-of-state certificate is required to be eligible for a testing exemption.</p> <p>Completion of 20 school months of successful service under a valid out-of-state certificate is required to be eligible for a Provisional level certificate, with a three-year testing deferral, if the educator's out-of-state tests are not deemed equivalent.</p>

For an experienced educator, proof of four years or more of valid, credentialed teaching experience in the area which seeking reciprocity must be provided. An inexperienced educator with less than four years of experience will be issued an Initial License.	Four years of experience in the credential area for which you are seeking reciprocity.  An inexperienced teacher will be granted an initial license.  Specialist certificates do not necessarily have full reciprocity.
	Not Applicable in our jurisdiction
	Not Applicable in our jurisdiction
	Three years of experience in the appropriate credential area

	<p>Contracted service in a P-12 school setting in the license field and/or level required to grant a Hawaii License or permit.</p> <p>A Hawaii Standard License requires verification of three of the last five years of full-time teaching experience in a P-12 setting in Hawaii or another state.</p>
<p>only for our tiered licensure system which is based on successful experience; not for general eligibility</p>	<p>Not Applicable in our jurisdiction</p>
	<p>Two years of experience in the appropriate credential area</p>
	<p>3 years of accredited experience within the last six years under a standard license OR 5 years of accredited experience at any time under a standard license.</p>

	<p>Two years of experience in the appropriate credential area.</p> <p>Two years fully certified experience on a professional, standard, or other type of certification.</p>
<p>Educators with three or more years of teaching experience in another state may be excluded from Louisiana Praxis exam testing requirements after one year of successful teaching in Louisiana and may be issued the professional level 1 teaching certificate.</p>	<p>Three years of experience in the appropriate credential area</p>
<p>MA offers a Temporary license which is valid for one year of experience. The Temporary license is eligible to those that 1) have a Bachelor's degree; 2) Has been employed in another state under a valid license or certificate comparable to the field and grade level of the Massachusetts license you are seeking, for at least three (3) years and 3) Has not passed all of, or has not failed any of, the required MTEL tests.</p>	<p>Three years of experience in the appropriate credential area</p>
	<p>More than three years of experience in the appropriate credential area</p>

<p>Is a teacher with 5 or more years of experience teaching within the 7 years prior to application in the State under a valid certificate in another state and who has graduated from a state-approved preparation program that utilizes the standards of a national association of state directors of teacher education and certification or a national council for accreditation of teacher education or a national board certificate issued by the National Board for Professional Teaching Standards, or its successor organization, or, with the exception of the national teachers exam, meets entry-level standards for the endorsement;</p>	<p>More than three years of experience in the appropriate credential area</p> <p>Is a teacher with 5 or more years of experience teaching within the 7 years prior to application in the State under a valid certificate in another state and who has graduated from a state-approved preparation program that utilizes the standards of a national association of state directors of teacher education and certification or a national council for accreditation of teacher education or a national board certificate issued by the National Board for Professional Teaching Standards, or its successor organization, or, with the exception of the national teachers exam, meets entry-level standards for the endorsement;</p>
	<p>Three years of successful teaching experience in the appropriate credential area since the issue date of the standard out-of-state teaching certificate.</p> <p>Additional coursework since the issuance of the standard certificate, in addition to the years of experience, is required to obtain the Professional Education Certificate in Michigan as the initial teaching certificate.</p>
<p>After teaching for three years in Minnesota, an out-of-state licensed teacher may move to the Minnesota Tier 4 license.</p>	
	<p>Completion of a minimum of 4 years of classroom teaching experience in the appropriate certificate area</p>

	Not Applicable in our jurisdiction
	Not Applicable in our jurisdiction
	3 or more years of teaching for classroom teachers
	Two years of experience in the appropriate credential area
Experience may factor in when analyzing an application for Basic Skills Competency, Human Relations Training requirement, and Special Education Training requirement.	Two years of experience in the appropriate credential area

	<p>Three years of experience in the appropriate credential area, having been deemed as "effective"; or better for at least two consecutive years under the local educator evaluation system.</p> <p>professional license if there is tiered licensure</p>
	<p>Three years of experience in the appropriate credential area</p>
	<p>~22-10A-12.</p> <p>Limited reciprocity.</p> <p>A teacher or school principal licensed in another state may be granted a level two or level three license if he has teaching experience, demonstrates the required competencies and meets other requirements and qualifications for the license for which he applies, including clearance of the required background check. The local superintendent may require a mentorship period for the licensee if he deems it necessary. A teacher who holds an out-of-state license may apply for a lower level license if he does not meet the requirements for the higher level.</p> <p>History: 1978 Comp.sect; 22-10A-12, enacted by Laws 2003, ch. 153, sect; 43.</p>
	<p>Not Applicable in our jurisdiction</p>

<p>Have at least three years of public school teaching experience in another state, in the subject area and grade level of the New York State (NYS) certificate sought, within the past seven years while holding an appropriate out-of-state certificate</p>	
	<p>One year of experience in the appropriate credential area</p> <p>Three years of experience in the appropriate credential area</p>
	<p>Not Applicable in our jurisdiction</p>
<p>We differentiate for instructional certificate holders only</p>	<p>Two years of experience in the appropriate credential area</p> <p>The experience must be verified as satisfactory by the employing entity</p>
	<p>Not Applicable in our jurisdiction</p>

<p>If the applicant has less than twenty seven months of successful teaching experience within the last seven years in the state which issued the valid standard certificate, that individual will be issued a standard Initial certificate, valid for three years. In order to advance to a Professional certificate, the individual must complete South Carolina's performance evaluation requirements as an employed educator and submit a qualifying score on a pedagogy assessment adopted by the State Board of Education for certification purposes. Educators presenting less than the twenty-seven months are issued an initial license.</p>	<p>Three years of experience in the appropriate credential area in the last seven years.</p>
---	--

<p>Yes, if the applicant has completed an alternative certification route in another state then must have 3 years of experience in the past 5 years.  No, if the applicant completed a preparation program.</p>	<p>Two years of experience in the appropriate credential area</p>
<p>Teacher: Out-of-state licensure candidates, who hold a full, valid, continuously renewable license, comparable to the Tennessee Professional license, may obtain the practitioner license in the related endorsement area prior to submitting qualifying scores on required assessments, but must submit scores prior to renewing or advancing the practitioner license.</p> <p>Instructional Leadership License: Out-of-state leader applicants are differentiated not by level of experience (1 year principal experience). However, if the administrator has not passed the required assessment, the administrator will be placed on the aspiring license until the qualifying score is submitted.</p>	

	<p>1 year of successful teaching experience in the subject in a public or regionally accredited private school, if that experience was completed under standard/professional educator licensure.</p>
	<p>Not Applicable in our jurisdiction</p>
<p>For individuals who have obtained a valid out-of-state license, with full credentials and without deficiencies, that is in force at the time the application for a Virginia license is received by the Department of Education. Each such individual shall establish a file in the Department of Education by submitting a complete application packet, which shall include official student transcripts. No service requirements or licensing assessments shall be required for any such individual.</p>	
<p>No, but educators seeking a Vermont license need to have a permanent license.</p>	<p>N/A</p>

	<p>Educators with at least three years of experience can use that to fulfill part of the requirements to be certified in Washington. Educators without this experience must verify preparation program completion.</p>
<p>If permanent or Lifetime certificate is presented, applicant with such certificate plus 5 years of experience may be eligible for a permanent certificate.</p>	<p>WVBE Policy 5202.</p> <p>16.4.b. Permanent Professional Teaching Certificate.</p> <p>For the purposes of permanent credential, 5 or more years of teaching experience</p>
<p>If the person did not complete requirements that are substantially equivalent to Wyoming's requirement for licensure, then Wyoming will only recognize that applicant's licensure if the educator worked for at least three out of the last six years full-time while fully licensed in that other jurisdiction.</p>	<p>Three years of experience in the appropriate credential area</p>

Requirements Experienced Out-of-state Teacher	Requirements Inexperienced Out-of-state Teacher
<p>1) valid teaching certificate or a recommendation from an approved program 2) bachelor's degree or higher 3) basic competency exam 4) content area exam 5) 3 semester hours of approved Alaska studies coursework 6) 3 semester hours of approved Alaska multicultural coursework</p>
