

Sign In to Campus Email

The first time that you sign in to your campus email, you will be prompted to set up your verification options for the self-service password reset system.

1. Open <https://mtmary.edu> in a web browser.
2. Click on the **Campus Mail** link in the top-right corner of the page.
3. Enter your Mount Mary email address in the top text field (1), and your password in the bottom text field (2). Then press the **Sign in** button (3).

Select Verification Methods

1. A message will be displayed indicating that additional security information is required. Click the **Next** button.

2. Click the link labelled **Set it up now** next to *Authentication Phone is not configured* to receive a confirmation code via telephone for verification, or **Set them up now** next to *Security Questions are not configured* to select your security questions and answers.

Note: You may set up an authentication phone number, security questions, or both.

Set Up an Authentication Phone Number

1. Select the appropriate country code from the dropdown (1). Then enter your phone number in the textbox (2).

Choose Security Questions

1. For each of the three security questions, choose a question from the dropdown (1). Then type an answer for that question in the corresponding text field (2). Once the field contains a valid response, a green checkmark will appear to the right of the text field.

Please select questions to answer below. Your admin requires you to set up 3 questions, and answers must be at least 3 characters long.

Security question 1

1 What is the last name of your favorite teacher in high school?

2 Example Answer

Security question 2

What is your father's middle name?

Example Answer

Security question 3

What is your favorite food?

Example Answer

save answers

back

Note: Each answer must be at least 3 characters long, and you cannot use the same answer for multiple questions.

2. Once you have chosen and answered all three questions, press the **Save answers** button.

Complete the Setup Process

1. Once a verification option is configured, a green checkmark will be displayed next to the corresponding issue, and the text will indicate that the option has been configured. Once you have finished setting up the verification options you want to use, click the **finish** button.

2. You will be taken to your email inbox. If you are accessing your email account for the first time, you will be prompted to set your preferred language and time zone. Select **Central Time** from the **Time zone** dropdown (1). Then press **Save** (2).

If you have any questions or experience any issues, please contact the IT Help Desk at 414-930-3048 (x3048 on campus) or mmu-helpdesk@mtmary.edu.
