# COMPASS YEAR PROGRAM

## Compass Year Program timeline:

### → JUMP START PROGRAM

**Kick off the semester early!** Get to know yourself and your fellow Compass students, connect the summer before classes start with Mount Mary resources and have fun.

### → 1ST SEMESTER

You'll discover an increased understanding of your personality, interests, values and skills. You'll build on these to start learning about potential future careers and identify a subject area of interest.

### → 2ND SEMESTER

As you continue with your exploration, we'll be out in the Milwaukee community meeting with businesses and talking with professionals in the workplace. You'll build your decision-making and goal-setting skills.

### → END OF FIRST YEAR

By the end of your first year, you'll be ready to make a confident decision about your major.

## DID YOU KNOW?

Undecided students are eligible to earn a \$1,000 Compass Year Scholarship from Mount Mary! This scholarship is awarded at the point of acceptance and is renewable for four years.

# NURSING

With a Mount Mary nursing degree, you will build the skills and confidence to become a nurse ready to provide the best care and advocate for change to overcome the health disparities among individual patients along with the community.

- Four-Year Program **Direct Admission**
