Mount Mary College, founded in 1913 by the School Sisters of Notre Dame, was Wisconsin's first four-year, degree-granting Catholic college for women. Located on an 80-acre campus in Milwaukee, the College offers more than 30 undergraduate majors for women and eight graduate programs for women and men. Mount Mary also emphasizes study abroad, service learning, and social justice initiatives. Its nearly 1900 students enjoy small class sizes (average 14) and over 90 percent of full-time students receive financial aid or scholarships. Through classroom instruction and community service, Mount Mary develops women to be leaders in their professions and their communities, serving as role models to inspire achievement in others.
